ABUSIVE LANGUAGE/PROFANITY RULES

Any team (player, coach, manager, score keeper or sponsor) using profane and/or abusive speech either in style, tone or content which can include profane or abusive body language on the playing field, in the dugout or "in and around" the "backstop" will cause his team to receive a "team warning". On the second occurrence, the "guilty" team member and the manager-coach will be ejected from the game.

"F" WORD RULE

Any team member using the "F"-word will be "ejected" without the benefit of a warning. The team and the manager will get a "warning". On the second occurrence, the "guilty" team member and the manager-coach will get "ejected". Any team member using profane and/or abusive language which includes the "F"-word after being "ejected" will be required to leave the park.

The profanity-abusive language rule and the "F"-word rule will be enforced in the bleachers-stands as well. Any spectator or team members in the bleachers/stands will be asked to leave the park. If they fail to leave in speedy and prompt fashion, the umpire in consultation with director may "forfeit the game. It is the responsibility of the managers and coaches to inform the team members and spectators of these rules. Managers and coaches are responsible for the conduct of both their team members and spectators.

I, the manager of the team listed below agree to inform, educate and enforce the PROFANE-ABUSIVE LANGUAGE RULE" as well as the "F"-WORD RULE. I completely understand that I am responsible for the behavior of both the team members and spectators of my team. I also agree to educate and enforce the rules "contained' on the "team entry/roster-waiver release form".
